

```
trigger ClosedOpportunityTrigger on Opportunity (after insert,after update) {  
    List<Task> tasklist=new List<Task>();  
  
    for (Opportunity opp: Trigger.New){  
        if (opp.StageName=='Closed Won'){  
            tasklist.add(new Task(Subject = 'Follow Up Test Task', WhatId=opp.Id));  
  
        }  
    }  
    if (tasklist.size()>0){  
        insert tasklist;  
    }  
}
```
